

# Bordentown Community Lead Education Session

## **Carslake Community Center**

207 Crosswicks Street  
Bordentown, New Jersey 08505

**Monday, October 15<sup>th</sup>**

7:00 PM

Please join this community education session to discuss the recent lead and copper testing at homes within the Bordentown Water Utility Service area and the lead exceedances that have occurred.

Residents will have the opportunity to ask questions of representatives of the Bordentown Water Utility and Advisory Board and be given information and guidance on what you can do to prevent lead in your drinking water.

For more information you can visit the following websites:
