

Help spread the word about safety!

In an effort to raise awareness about gas and electric safety, PSE&G would like to share important safety information through our website at

pseg.com/safety.

The drop down menu below details the information you can link to on your websites and/or social media accounts to help educate the public on these important topics.

Thank you!

The screenshot shows the PSE&G website's navigation and content structure. At the top, there are links for PSEG CORPORATE, PSEG (selected), PSEG LONG ISLAND, and PSEG POWER. A search icon, ESPAÑOL, CONTACT US, and LOGIN or REGISTER are also present. Below the navigation is a main menu with categories: My Account, Outages & Leaks, WorryFree, Save Energy & Money, Safety & Reliability (selected), Business & Contractors, and In The Community. The Safety & Reliability Overview section includes buttons for OUTAGE MAPS, NATURAL GAS SAFETY VIDEO, REPORTING AN OUTAGE VIDEO, and SESAME STREET HELP YOU PREPARE VIDEO. The Electric Safety section lists links for Downed Power Lines, Electric Home Safety Tips, Life Sustaining Equipment, and Balloon and Kite Safety. The Gas Safety section lists links for I Smell Gas, Carbon Monoxide Safety, Gas Home Safety Tips, Appliance Safety, Safety Unclog Sewer Lines, Excess Flow Valves, and Odor Fade. The Storm Safety section lists links for Before a Storm, During a Storm, After a Storm, Generator Safety, and Flood Safety. The Safety Tips section lists links for Call Before You Dig, Emergency Preparedness, and Help Keep Our Technicians Safe. The Reliability section lists links for Reliability Overview, Tree Trimming, and Current Initiatives. On the right side, there is a featured section titled "Life-Sustaining Equipment" with a sub-headline "If you or a member of your household rely on electricity to operate life-sustaining equipment, it's important that you notify us." and an image of a young woman and an elderly woman sitting at a table.
